

## Join us in exploring Kimberley Watershed

Building on the success of Mainstreams Family Water Education in the fall of 2016 - we are offering a series of five Kimberley Watershed Awareness Events in May and June.

Kimberley Watershed Awareness runs on Thursday evenings from 6:30 to 8:30 p.m. (see dates below).

We chose Thursday evenings so the whole family could come out.

Please join us in any or all of the events.

Date	Event	Details	Time
<b>May 18</b>	Watershed Dynamics	Mark Creek Flume Restoration Tour with Dave Quinn, who has designed this as a unit for high schools	6:30-8:00 p.m.
<b>May 25</b>	Riparian	Exploring the importance and function of riparian creek side vegetation	6:30-8:00 p.m.
<b>Jun 1</b>	Macro Invertebrates	Capturing and viewing different kinds of macro invertebrates Building macro bugs through arts and crafts (mon, dad and the kids too!)	6:30-8:00 p.m.
<b>Jun 8</b>	Burdock pull	Pulling as many of the hundreds of burdock plants on the McKim trail as we can - East Kootenay Invasive Species Council staff will be on hand with equipment and expert guidance	6:30-8:00 p.m.
<b>Jun 15</b>	Knapweed pull	On Mark Creek next to the RCMP building - this will be an ongoing targeted site	6:30-8:00 p.m.

Send us your e-mail address through [mainstreams.ca](http://mainstreams.ca) so we can send you a personal invite with details of where to meet.

Otherwise, we will be sending a press release about each event to the local papers. We have also created a Facebook Events page with the event details.
