Mainstreams

Funding: BC Hydro Community Giving Program

Mainstreams is seeking new Board Members. If you support Water Education and Riparian Habitat Restoration, please put your name forward. We have five meetings each year and now they are virtual. You can be part of something really great. Leave your contact information at info@mainstreams.ca

Spoooner Park, Cranbrook Habitat Restoration with Mt. Baker Geography 12 and Outdoor Education 12

Stewart Wilson

Stewart Wilson

None of Mainstreams Programs would exist without these funders.
