

# Streamers Spring Series

- Jun 7 - Eimer's Lake Wetland Walk** led by Laura Duncan  
 6:30 p.m. - Empty lot beside funeral home  
 The walk will go up Eimer's Creek trail to Eimer's Lake bog  
 Eimer's is a sphagnum moss bog, which hosts a number of unique plants and flowers
- Jun 14 - Knapweed Pull 'n Learn** led by Shannon Duncan  
 6:30 p.m. - Mark Creek at R.C.M.P. buiding  
 Bring shovels, trowels and gloves  
 It's a great way to join other folk in feeling good about making a difference - we are helping the riparian vegetation habitat  
 We urge foks to do some pulling on their own, as well  
 If you do some pulling on your own, Mainstreams will supply you with bags -- let Laura know how many bags you fill (250) 427-2600
- Jun 21 - Summer Solstice by the Creek** led by Patty Kolesnichenko  
 3:30 p.m. - Park across from Platzl parking lot on Mark Creek  
 Celebrating Kimberley Water through art. Adults and kids will create macro invertebrates through arts and crafts. All designs will relate to macro invertebrates strategies for survival.
