

## Streamers Spring Series 2018

- **May 17 - Mark Creek Riparian Walk** led by Laura Duncan  
6:30 p.m.- Parking lot just past Rotary Drive on Jim Ogilvie Way  
Walk the fitness trail to the bridge and return
- **May 24 - Lois Creek Native & Invasives Plant Walk** with Todd Larsen, Executive Director East Kootenay Invasive Plant Council.  
6:30 p.m. - Lindsay Park Elementary School  
Before you come, load Report-a-Weed on your smart phone and Todd will help you learn how to use it
- **May 31 - Burdock Pull 'n Learn** led by Shannon Duncan  
6:30 p.m. - Mark Creek Trail behind McKim School  
Shannon will show us how to mitigate Burdock, while harvesting its roots, which are medicinal
- **Jun 7 - Eimer's Lake Wetland Walk** led by Laura Duncan  
6:30 p.m. - Empty lot beside funeral home  
The walk will go up Eimer's Creek trail to Eimer's Lake bog  
Eimer's is a sphagnum moss bog, which hosts a number of unique plants and flowers
- **Jun 14 - Knapweed Pull 'n Learn** led by Shannon Duncan  
6:30 p.m. - Mark Creek at R.C.M.P. building  
Bring shovels, trowels and gloves  
It's a great way to join other folk in feeling good about making a difference - we are helping the riparian vegetation habitat  
We urge folks to do some pulling on their own, as well  
If you do some pulling on your own, Mainstreams will supply you with bags -- let Laura know how many bags you fill (250) 427-2600
- **Jun 21 - Summer Solstice by the Creek** led by Shannon Duncan  
6:30 p.m. - place to be announced - watch for facebook and newspaper articles for details  
This is an attempt to join art and artists and environmental stewardship  
We are planning lots of hands on participation

Addy McCurry helped on several Knapweed pulls last spring

J. Duncan

## Streamers?

### People who...

- Love water!
- ... and who want
- To make a difference
- To learn
- To help
- To meet kindred spirits
- To have fun contributing

### Activities include:

- Pulling invasive plants
- Monitoring
- Cleaning up litter
- Learning about watersheds
